

# West Berkshire's Eco-Buildings Open Days

8th - 11th September 2011

The 'Green Deal' is the Government's ambitious plan to make huge energy efficiencies to the UK's housing stock. The Eco-buildings opendays event is an excellent way to see how your property could be refurbished and how you can benefit from the Feed in Tariffs and the proposed Renewable Heat Incentive.

For more information, see  
[www.actionforall.org.uk/greenexchange](http://www.actionforall.org.uk/greenexchange)  
or call 01635 503267

This project is organised by West Berkshire Council and the West Berkshire Partnership.

With generous support from:

**TV Energy**

**West Berkshire**  
PARTNERSHIP

Are you ready for the 'Green Deal'?  
See how others have eco-renovated or built  
low energy buildings
